

The Expression of Interest

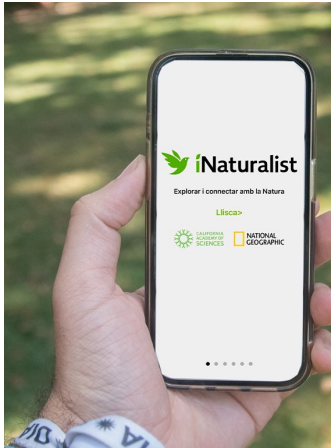

Legacy / Impact

Blue and Green with the City in between

Legacy

- Collect data for Oslo / regions within the city
- On going promotion – to the schools and an annual BioBlitz

Optimize **S**ustainability – **L**earn, and **O**bserve

User

Provider

Citizens of Oslo Mobilization to register and record Biodiversity in their own city

Ripple effect

Legacy for **Us**:

Show case – Biodiversity and data Science

- UiO to be a place you come if you want to be a Student, a Staff member, a project collaborator. Or a resource decision maker

Anchor the conference at UiO

We would welcome your help to realize this
