

Geo Lab

Personal User Agreement – micro-CT

New users need to sign this document and deliver it to the Laboratory Manager (or deputy) before starting using the laboratory facilities.

I hereby confirm that I read and accept the rules and instructions described in the following documents:

- Job Safety Analysis for Nikon XT H 225 ST micro computed tomography (micro-CT)

In addition to the above, as a new user I have been introduced to the emergency exits in the facility, list with emergency telephone numbers in case of accidents and/or fire, as well as the location of fire and first aid response, such as fire extinguisher, eye wash bottle, emergency shower and medical cabinet.
