## **GREENPEG Kick-off Meeting Norway**

Raw materials for the European Green Deal GREENP https://www.greenpeg.eu/

**VIRTUAL MEETING:** Due to the new Covid-19 restrictions, this will be a virtual event via ZOOM, instead of taking place as originally planned at the Botanical Garden of the Natural History Museum in Oslo

**TIME:** 20 November 2020, 09:00 – 15:00

ORGANIZER CONTACTS: Carla Pueyo Lloret (c.p.lloret@nhm.uio.no; +47 22859962) and Axel Müller

(a.b.muller@nhm.uio.no; +47 90561134)

## **PURPOSE**

The GREENPEG Kick-off Meeting Norway introduces the 90-million-NOK, EU-supported GREENPEG mineral exploration project and brings together Norwegian stakeholders and institutions benefitting from GREENPEG activities.

## PRACTICAL INFORMATION

The ZOOM link will be announced a few days prior to the meeting and sent as an Outlook invite. Lectures can be given in English (preferred) as well as in Norwegian.

At the opening of the meeting, we will establish a certain discipline to ensure good dialogue and efficiency in the discussion sessions.

## **AGENDA**

O9:00 - 09:05   Carla Pueyo Lloret, Natural History Museum of Oslo, GREENPEG manager Opening   O9:05 - 09:10   Jan Lifjeld, Director of the Natural History Museum of Oslo Welcome   O9:10 - 09:30   Axel Müller, Natural History Museum Oslo, GREENPEG coordinator   Exploration "Made in Europe" - Aims of the Horizon2020 GREENPEG Project and the benefits for the Norwegian exploration and mining industry   O9:30 - 09:50   Marco Brönner, Geological Survey of Norway (NGU), GREENPEG partner   The role and activities of the Geological Survey of Norway in GREENPEG   Henrik Schiellerup, NGU   Public geoscience in Norway and the mapping of critical raw materials   O1:00 - 10:30   Discussion   O1:30 - 10:40   Coffee break   Ola Overby, Representative of the Direktoratet for Mineralforvaltning (DMF)   DMF's role and responsibility with focus on the Norwegian Mineral Law and the applying exploration and mining rights   Anita Helene Hall, Norsk Bergindustri   Road map for increasing societal acceptance of exploration and mining activities in Norway   Trond Brenden-Veisal, Elkem   Raw material projects in Norway   Discussion   Lunch   O1:200 - 13:00   Ole Torstensen, Fylkesgeolog Nordland   Mineral industry activities in Nordland   Thomas Guillaume, The Quartz Corp   The Norwegian success history of raw material mining and processing   Ivar Fossum, Nordic Mining   Ivar Foss	AGENDA	
O9:05 - 09:10	09:00 - 09:05	Carla Pueyo Lloret, Natural History Museum of Oslo, GREENPEG manager
Welcome  09:10 - 09:30  Axel Müller, Natural History Museum Oslo, GREENPEG coordinator Exploration "Made in Europe" – Aims of the Horizon2020 GREENPEG Project and the benefits for the Norwegian exploration and mining industry  09:30 - 09:50  Marco Brönner, Geological Survey of Norway (NGU), GREENPEG partner The role and activities of the Geological Survey of Norway in GREENPEG  Henrik Schiellerup, NGU Public geoscience in Norway and the mapping of critical raw materials  10:10 - 10:30  10:30 - 10:40  Coffee break  10:40 - 11:00  Ola Overby, Representative of the Direktoratet for Mineralforvaltning (DMF) DMF's role and responsibility with focus on the Norwegian Mineral Law and the applying exploration and mining rights  11:00 - 11:20  Anita Helene Hall, Norsk Bergindustri Road map for increasing societal acceptance of exploration and mining activities in Norway  11:20 - 11:40  Trond Brenden-Veisal, Elkem Raw material projects in Norway  Discussion  12:00 - 13:00  Lunch  13:20 - 13:40  Thomas Guillaume, The Quartz Corp The Norwegian success history of raw material mining and processing  Ivar Fossum, Nordic Mining		
O9:10 - 09:30	09:05 - 09:10	Jan Lifjeld, Director of the Natural History Museum of Oslo
Exploration "Made in Europe" – Aims of the Horizon2020 GREENPEG Project and the benefits for the Norwegian exploration and mining industry  09:30 - 09:50  Marco Brönner, Geological Survey of Norway (NGU), GREENPEG partner The role and activities of the Geological Survey of Norway in GREENPEG  09:50 - 10:10  Henrik Schiellerup, NGU Public geoscience in Norway and the mapping of critical raw materials  10:10 - 10:30  Discussion  Coffee break  10:40 - 11:00  Ola Overby, Representative of the Direktoratet for Mineralforvaltning (DMF) DMF's role and responsibility with focus on the Norwegian Mineral Law and the applying exploration and mining rights  11:00 - 11:20  Anita Helene Hall, Norsk Bergindustri Road map for increasing societal acceptance of exploration and mining activities in Norway  11:20 - 11:40  Trond Brenden-Veisal, Elkem Raw material projects in Norway  11:40 - 12:00  Discussion  12:00 - 13:00  Cle Torstensen, Fylkesgeolog Nordland Mineral industry activities in Nordland  13:20 - 13:40  Thomas Guillaume, The Quartz Corp The Norwegian success history of raw material mining and processing  13:40 - 14:00  Ivar Fossum, Nordic Mining		Welcome
Norwegian exploration and mining industry  09:30 - 09:50  Marco Brönner, Geological Survey of Norway (NGU), GREENPEG partner The role and activities of the Geological Survey of Norway in GREENPEG  09:50 - 10:10  Henrik Schiellerup, NGU Public geoscience in Norway and the mapping of critical raw materials  10:10 - 10:30  Coffee break  10:40 - 11:00  Ola Overby, Representative of the Direktoratet for Mineralforvaltning (DMF) DMF's role and responsibility with focus on the Norwegian Mineral Law and the applying exploration and mining rights  11:00 - 11:20  Anita Helene Hall, Norsk Bergindustri Road map for increasing societal acceptance of exploration and mining activities in Norway  11:20 - 11:40  Trond Brenden-Veisal, Elkem Raw material projects in Norway  11:40 - 12:00  Discussion  12:00 - 13:00  Lunch  13:00 - 13:20  Ole Torstensen, Fylkesgeolog Nordland Mineral industry activities in Nordland Mineral industry activities in Nordland Thomas Guillaume, The Quartz Corp The Norwegian success history of raw material mining and processing  13:40 - 14:00  Ivar Fossum, Nordic Mining	09:10 - 09:30	Axel Müller, Natural History Museum Oslo, GREENPEG coordinator
09:30 - 09:50  Marco Brönner, Geological Survey of Norway (NGU), GREENPEG partner The role and activities of the Geological Survey of Norway in GREENPEG  09:50 - 10:10  Henrik Schiellerup, NGU Public geoscience in Norway and the mapping of critical raw materials  10:10 - 10:30  Discussion  10:30 - 10:40  Ola Overby, Representative of the Direktoratet for Mineralforvaltning (DMF) DMF's role and responsibility with focus on the Norwegian Mineral Law and the applying exploration and mining rights  11:00 - 11:20  Anita Helene Hall, Norsk Bergindustri Road map for increasing societal acceptance of exploration and mining activities in Norway  11:20 - 11:40  Trond Brenden-Veisal, Elkem Raw material projects in Norway  11:40 - 12:00  Discussion  Lunch  13:00 - 13:20  Ole Torstensen, Fylkesgeolog Nordland Mineral industry activities in Nordland  13:20 - 13:40  Thomas Guillaume, The Quartz Corp The Norwegian success history of raw material mining and processing  Ivar Fossum, Nordic Mining		Exploration "Made in Europe" – Aims of the Horizon2020 GREENPEG Project and the benefits for the
The role and activities of the Geological Survey of Norway in GREENPEG  09:50 - 10:10  Henrik Schiellerup, NGU Public geoscience in Norway and the mapping of critical raw materials  10:10 - 10:30  Discussion  10:30 - 10:40  Coffee break  10:40 - 11:00  DMF's role and responsibility with focus on the Norwegian Mineral Law and the applying exploration and mining rights  11:00 - 11:20  Anita Helene Hall, Norsk Bergindustri Road map for increasing societal acceptance of exploration and mining activities in Norway  11:20 - 11:40  Trond Brenden-Veisal, Elkem Raw material projects in Norway  11:40 - 12:00  Discussion  12:00 - 13:00  Cle Torstensen, Fylkesgeolog Nordland Mineral industry activities in Nordland  13:20 - 13:40  Thomas Guillaume, The Quartz Corp The Norwegian success history of raw material mining and processing  13:40 - 14:00  Ivar Fossum, Nordic Mining		Norwegian exploration and mining industry
10:10 - 10:10   Henrik Schiellerup, NGU   Public geoscience in Norway and the mapping of critical raw materials	09:30 - 09:50	Marco Brönner, Geological Survey of Norway (NGU), GREENPEG partner
Public geoscience in Norway and the mapping of critical raw materials  10:10 - 10:30  10:30 - 10:40  10:40 - 11:00  Discussion  Coffee break  10:40 - 11:00  DMF's role and responsibility with focus on the Norwegian Mineral Law and the applying exploration and mining rights  11:00 - 11:20  Anita Helene Hall, Norsk Bergindustri Road map for increasing societal acceptance of exploration and mining activities in Norway  11:20 - 11:40  Trond Brenden-Veisal, Elkem Raw material projects in Norway  Discussion  1:40 - 12:00  Discussion  1:200 - 13:00  Lunch  13:20 - 13:40  Thomas Guillaume, The Quartz Corp The Norwegian success history of raw material mining and processing  13:40 - 14:00  Ivar Fossum, Nordic Mining		
10:10 - 10:30  10:30 - 10:40  Coffee break  10:40 - 11:00  Discussion  Ola Overby, Representative of the Direktoratet for Mineralforvaltning (DMF) DMF's role and responsibility with focus on the Norwegian Mineral Law and the applying exploration and mining rights  11:00 - 11:20  Anita Helene Hall, Norsk Bergindustri Road map for increasing societal acceptance of exploration and mining activities in Norway  11:20 - 11:40  Trond Brenden-Veisal, Elkem Raw material projects in Norway  Discussion  1:40 - 12:00  Discussion  Lunch  13:20 - 13:20  Ole Torstensen, Fylkesgeolog Nordland Mineral industry activities in Nordland  13:20 - 13:40  Thomas Guillaume, The Quartz Corp The Norwegian success history of raw material mining and processing  13:40 - 14:00  Ivar Fossum, Nordic Mining	09:50 - 10:10	Henrik Schiellerup, NGU
10:30 - 10:40  10:40 - 11:00  Ola Overby, Representative of the Direktoratet for Mineralforvaltning (DMF)		Public geoscience in Norway and the mapping of critical raw materials
10:40 - 11:00  Ola Overby, Representative of the Direktoratet for Mineralforvaltning (DMF)  DMF's role and responsibility with focus on the Norwegian Mineral Law and the applying exploration and mining rights  11:00 - 11:20  Anita Helene Hall, Norsk Bergindustri  Road map for increasing societal acceptance of exploration and mining activities in Norway  11:20 - 11:40  Trond Brenden-Veisal, Elkem  Raw material projects in Norway  Discussion  12:00 - 13:00  Discussion  Lunch  13:20 - 13:40  Ole Torstensen, Fylkesgeolog Nordland  Mineral industry activities in Nordland  13:20 - 13:40  Thomas Guillaume, The Quartz Corp  The Norwegian success history of raw material mining and processing  Ivar Fossum, Nordic Mining	10:10 - 10:30	Discussion
DMF's role and responsibility with focus on the Norwegian Mineral Law and the applying exploration and mining rights  11:00 - 11:20 Anita Helene Hall, Norsk Bergindustri Road map for increasing societal acceptance of exploration and mining activities in Norway  11:20 - 11:40 Trond Brenden-Veisal, Elkem Raw material projects in Norway  Discussion  12:00 - 13:00 Discussion  Lunch  13:00 - 13:20 Ole Torstensen, Fylkesgeolog Nordland Mineral industry activities in Nordland  13:20 - 13:40 Thomas Guillaume, The Quartz Corp The Norwegian success history of raw material mining and processing  Ivar Fossum, Nordic Mining	10:30 - 10:40	
mining rights  11:00 - 11:20 Anita Helene Hall, Norsk Bergindustri Road map for increasing societal acceptance of exploration and mining activities in Norway  11:20 - 11:40 Trond Brenden-Veisal, Elkem Raw material projects in Norway  11:40 - 12:00 Discussion  12:00 - 13:00 Lunch  13:00 - 13:20 Ole Torstensen, Fylkesgeolog Nordland Mineral industry activities in Nordland  13:20 - 13:40 Thomas Guillaume, The Quartz Corp The Norwegian success history of raw material mining and processing  13:40 - 14:00 Ivar Fossum, Nordic Mining	10:40 - 11:00	
11:00 - 11:20 Anita Helene Hall, Norsk Bergindustri Road map for increasing societal acceptance of exploration and mining activities in Norway  11:20 - 11:40 Trond Brenden-Veisal, Elkem Raw material projects in Norway  11:40 - 12:00 Discussion  12:00 - 13:00 Lunch  13:00 - 13:20 Ole Torstensen, Fylkesgeolog Nordland Mineral industry activities in Nordland  13:20 - 13:40 Thomas Guillaume, The Quartz Corp The Norwegian success history of raw material mining and processing  13:40 - 14:00 Ivar Fossum, Nordic Mining		
Road map for increasing societal acceptance of exploration and mining activities in Norway  11:20 – 11:40 Trond Brenden-Veisal, Elkem Raw material projects in Norway  11:40 – 12:00 Discussion  12:00 – 13:00 Lunch  13:00 – 13:20 Ole Torstensen, Fylkesgeolog Nordland Mineral industry activities in Nordland  13:20 – 13:40 Thomas Guillaume, The Quartz Corp The Norwegian success history of raw material mining and processing  13:40 – 14:00 Ivar Fossum, Nordic Mining		
11:20 – 11:40 Trond Brenden-Veisal, Elkem Raw material projects in Norway  11:40 – 12:00 Discussion  12:00 – 13:00 Lunch  13:00 – 13:20 Ole Torstensen, Fylkesgeolog Nordland Mineral industry activities in Nordland  13:20 – 13:40 Thomas Guillaume, The Quartz Corp The Norwegian success history of raw material mining and processing  13:40 – 14:00 Ivar Fossum, Nordic Mining	11:00 - 11:20	
Raw material projects in Norway  11:40 – 12:00  Discussion  12:00 – 13:00  Lunch  13:00 – 13:20  Ole Torstensen, Fylkesgeolog Nordland Mineral industry activities in Nordland  13:20 – 13:40  Thomas Guillaume, The Quartz Corp The Norwegian success history of raw material mining and processing  13:40 – 14:00  Ivar Fossum, Nordic Mining		
11:40 – 12:00 Discussion  12:00 – 13:00 Lunch  13:00 – 13:20 Ole Torstensen, Fylkesgeolog Nordland Mineral industry activities in Nordland  13:20 – 13:40 Thomas Guillaume, The Quartz Corp The Norwegian success history of raw material mining and processing  13:40 – 14:00 Ivar Fossum, Nordic Mining	11:20 – 11:40	
12:00 – 13:00  13:00 – 13:20  Ole Torstensen, Fylkesgeolog Nordland Mineral industry activities in Nordland  13:20 – 13:40  Thomas Guillaume, The Quartz Corp The Norwegian success history of raw material mining and processing  13:40 – 14:00  Ivar Fossum, Nordic Mining		
13:00 – 13:20 Ole Torstensen, Fylkesgeolog Nordland Mineral industry activities in Nordland  13:20 – 13:40 Thomas Guillaume, The Quartz Corp The Norwegian success history of raw material mining and processing  13:40 – 14:00 Ivar Fossum, Nordic Mining		
Mineral industry activities in Nordland  13:20 – 13:40 Thomas Guillaume, The Quartz Corp The Norwegian success history of raw material mining and processing  13:40 – 14:00 Ivar Fossum, Nordic Mining		
13:20 – 13:40 Thomas Guillaume, The Quartz Corp The Norwegian success history of raw material mining and processing  13:40 – 14:00 Ivar Fossum, Nordic Mining	13:00 – 13:20	
The Norwegian success history of raw material mining and processing  13:40 – 14:00		
13:40 – 14:00 Ivar Fossum, Nordic Mining	13:20 – 13:40	
Dave material projects in Conselination	13:40 – 14:00	
Raw material projects in Scandinavia		Raw material projects in Scandinavia
14:00 – 14:20 Mikkola Perttu, Geological Survey of Finland (GTK)	14:00 – 14:20	Mikkola Perttu, Geological Survey of Finland (GTK)
Recent and near future activities of Geological Survey of Finland in respect to Li-Cs-Ta pegmatites		
14:20 – 14:40 Sven Dahlgren, Fylkesgeolog Vestfold og Telemark	14:20 – 14:40	
Critical minerals – one part to achieve the Green Shift		
14:40 – 15:00 Final discussion and outlook		
15:00 End of Meeting	15:00	End of Meeting
